

MANAGED AUDIO

VISUAL CAMPAIGNS

An aerial photograph of a rugged coastline. The ocean is a deep, dark blue-grey, with white, frothy waves crashing against dark, jagged rocks. The water near the shore is a lighter, turquoise color, indicating shallower depths. The rocks are scattered across the shoreline, creating a complex pattern of waves and foam. The overall scene is dynamic and powerful, capturing the raw energy of the ocean.

THAN THE TIDE

A large red dump truck is driving on a paved road that curves through a mountainous landscape. The road is flanked by steep, rocky cliffs. In the distance, a green highway sign is visible. The sky is clear and blue. The truck is a heavy-duty vehicle with multiple axles and large tires. It has a red body with some blue and yellow accents. The background shows a vast, open landscape with mountains and a clear sky.
