THAN THE TIDE

A photograph of a large, multi-axle truck driving on a paved road. The truck is carrying several shipping containers stacked vertically. The road is bordered by a yellow and black striped guardrail on the left, and the background features towering, rugged mountains under a clear blue sky.

The campaign created and visualized by RR's communication agency, Growthjack Agency, is aimed at sensitizing individuals and the collective to take action as one to turn the table on COVID19. The campaign has gained over a million impressions online.

From the experience of serving international corporations, big business houses and corporates, such as The Apollo Spectra, Bose, Titan, CPA Global, YKK, Bausch & Lomb, we asked the man behind the gifting enterprise Shri Mukul Mehta what it means to run a business in the times.
