A glimpse of SAIL's increasing role as a responsible corporate citizen :-

- Environment - Energy consumption optimised, water conservation, effluent treatment and waste recycle/reuse intensified. 71 projects have been identified to secure carbon credit through Clean Development Mechanism (CDM), thereby helping to reduce global warming. Greening efforts continue — over twenty million trees planted so far.
- Education - 138 company-run schools with 90% student retention and 1:1 ratio of girls and boys.
- Health - Running 18 hospitals & 6 speciality hospitals in SAIL townships and healthcare programmes in other parts of the country also, efforts have lowered Infant Mortality Rate and Maternal Mortality Rate below national average.
